Dear sir,

We introduce ourselves as one of the quality oriented soluble coffee manufacturers from India. We manufacture Instant Coffee in Spray Dried and Agglomerated forms. We have established state of the art manufacturing facility to manufacture 12 metric tons of instant coffee every day. The facility is HACCP certified and can assure you reliable and uninterrupted supplies. We have the capability to supply instant coffee in bulk packs as well as retail packs. We take meticulous care at every level in serving our customer needs who is our partner in progress.

We would be glad to associate with you and request you to make us understand your requirements in the form below:
